### USUHS MILITARY TRAINING NETWORK

# MISSION

- The mission of the Military Training Network (MTN) is to develop and implement policy guidance and ensure compliance with curricular and administrative standards for resuscitative and trauma medicine training programs for the Uniformed Services and the Department of Defense affiliates. The Tri-Service MTN staff provides service specific expertise, central record keeping, world-wide coordination of programs, and ensures that national resuscitative and trauma medicine organizations are aware of the unique requirements of military medicine.
